* Items not available from the School Shop

The games clothing items listed above are the minimum requirements for a student starting the Sixth Form at the beginning of the Autumn term. Once the student has become involved with games and PE they can come to the shop to purchase what they need. Pupils at this level often play in the top teams for sport and will wear different kit than junior pupils (available from PE Staff).

NAMING CLOTHING All items must be clearly named. Woven name tapes which are sewn on tend to last better. We also recommend that all shoes be clearly named (you can use self adhesive shoe labels or a permanent marker). The School Shop can order name tapes for you; nametapes usually take 1 week to 10 days to arrive, however it can take as long as 3-4 weeks as we get closer to the new term in August and September.

PE and games kit should be named inside and outside. Shorts and trousers on the left hand pocket/ leg, and polo shirts and tops on the left hand breast.
