

KING WILLIAM'S COLLEGE

Fourth Form Scholarships and Awards 2021

I ntroduction

Our Academic Scholarships and Drama, Music and Sport Awards are available to pupils entering Lower Fourth (Year 7). They are highly prized and are designed to reward excellence and celebrate exceptional talent in a particular field.

Each year King William's College attracts high calibre applicants who enrich the School, not only in their specialist areas, but also in all the other facets of school life, and throughout their time at College we aim to provide each pupil with encouragement and tailored support to develop their talents and excel in their specialist area.

All Scholarships and Awards are won in open competition and are awarded solely on merit. Each Scholarship and Award is held from 1st September of the year of entry until the Scholar leaves the College, provided the pupil's work and conduct continue to be of the highest standard.

If a candidate applies for more than one Scholarship or Award the maximum reduction offered will not exceed 10% of the tuition fee.

Age Restrictions

Candidates should have reached 11 years of age by the 1st September of the year of entry.

Bursaries

All Scholarships and Awards can be supplemented by a Bursary, based upon the financial circumstances of the candidate's parents. Bursaries are not part of the Scholarship process, but may be applied for by indicating on the Scholarship Application Form at the back of this booklet or by contacting the External Relations Office at admissions@kwc.im or +44 (0) 1624 820110.

D

ates for Assessment

Assessments take place in January for the academic year preceeding September entry:

Application Closing Date:

Friday 15th January 2021

Sport Awards:

Friday 22nd January 2021

Academic Scholarships, Music and Drama Awards:

Saturday 23rd January 2021

Please note applications received after the above closing date will not be accepted.

Academic Scholarships

Academic Scholarships are awarded to those who display excellence in assessments as specified by the College.

Candidates will be required to sit papers in English and Maths and undertake an interview with the Principal. No preparation is expected.

Drama Awards

Drama Awards are awarded to outstanding candidates; performers who demonstrate creative thinking and enthusiasm and commitment to the discipline, with strong technical skills and participation in productions both in and beyond school.

Candidates for a Drama Award will be invited to take part in a practical assessment. This audition will include the performance of a prepared monologue of the candidate's choice of no more than five minutes in length. The piece can be text prepared for an examination, script-based or devised by the candidate. There will also be group improvisations and practical work. We place great emphasis on a strong audition, displaying a high level of participation, technical accomplishment and stage presence.

There will be an interview with the Principal and Head of Drama, where applicants will be invited to talk about their experience and interest in the performing arts.

Award holders will be expected to participate fully in School Drama productions and represent the School when requested to do so by the Head of Drama. They will also be expected to choose Drama as one of their IGCSE options.

Music Awards

Music Awards are awarded to outstanding candidates who demonstrate enthusiasm and commitment to the discipline, with strong technical skills and participation in events both in and beyond school.

Candidates for a Music Award are expected to have reached Grade 4 and preferably higher on one or more of their instruments.

Candidates will be invited to take part in a practical assessment. This audition will include the performance of a prepared piece of the candidate's choice either instrumental or vocal. Singers who also play an instrument should bring a vocal and instrumental piece.

Pieces should be chosen to demonstrate a full range of technical and interpretative strengths. There will be sight reading and aural tests and applicants will be asked to demonstrate knowledge of formal music theory. Candidates will be interviewed by the Principal and Director of Music, where they will be invited to talk about their experience and interest in Music.

Award holders will receive free tuition in one musical instrument and will be expected to participate fully in School musical events and choirs and represent the School when requested to do so by the Director of Music. They will also be expected to choose Music as one of their IGCSE options.

Sport Awards

Sport Awards are awarded to those who will bring excellence and dedication to College through Sport.

Pupils will be assessed against the evidence of their current performance and future potential. Their physical competency and sport-specific technical capabilities and attitude are assessed through a multi stage fitness test, 30 metre sprint and interview.

Candidates will undertake a practical assessment of the main sports played at College and be expected to demonstrate a high level of proficiency in at least two; for boys it is rugby, football, basketball and cricket, and for girls it is hockey, netball, football and rounders.

The Award holder will be expected to represent the School and contribute to all major Sports, unless permission is granted by the Director of Sport. This will include participation and also assisting with junior tournaments as a role model for our younger players. Some weekend and holiday time commitments may be expected of our Award holders.

The Award holder will be expected to choose Physical Education as one of their IGCSE options.
